60 minutes of a relaxing full body Sanctuary massage. This massage is designed to create a sanctuary from the stress of everyday life. Light to medium pressure uses a balance of massage techniques. Our natural hot foaming algae mud stimulates circulation and promotes detoxification while providing a warm massage to the central nervous system. The mud is applied down the spine to stimulate the central nervous system to facilitate a deeper, purifying massage. The hot foaming algae mud re-energizes the body with special self-heating properties while the ocean aromas invigorate the mind, and a warm foot massage to ease those tired soles.
